

THE CENTRAL TEXAS CONFERENCE TASK FORCE ON HUNGER PRESENTS:

Thanksgiving Offering 2010

90% Central Texas Conference Hunger Ministries

10% Haitian Creole Pig Project, Advance # 418002

Each year the CTC Task Force on Hunger designates recipients for the *Thanksgiving* offering. The offering is split 90/10 with recipients rotating annually between local and global ministries.

This year 90% of the offering will remain in the Central Texas Conference to fund the hunger ministry grant program available to any CTC church seeking to begin or expand hunger ministries. The CTC Task Force on Hunger prays that your generous offering will empower our congregations to seek new and creative avenues for serving our most vulnerable neighbors. Thank you for helping your fellow United Methodists reach out! For the latest information about how your church's hunger ministry may access grants beginning in 2011, please visit the Task Force on Hunger's web page at www.ctcumc.org under the "Ministries" section.

The remaining 10% will be donated to the Haitian Creole Pig Project, Advance #418002. Funds will provide farm families in Haiti with a breeding pair of Creole pigs to improve their nutritional intake and increase their income. Funds will also benefit the operation and production training of local leaders and support the training program for veterinary agents.

The Central Texas Conference Council on Finance and Administration recommends the annual Thanksgiving Offering be taken in November.

Churches should submit all donations on a remittance form to the Conference Office, PO Box 99087, Fort Worth, TX 76199. Please indicate that your donation is for Thanksgiving 2010.
